SPONSORSHIP FORM

Andover Bowling Club is holding a 24-hour non-stop Bowlathon starting at noon on 23 May. That means we'll be on the green for a full day (and night)! One of our members is bowling the full 24 hours; others of us will be turning out in shifts to support him and provide some competition.

We are raising funds to support our move to our new Clubhouse; and also for the Countess of Brecknock Hospice, with whom we'll be sharing the proceeds on a 50:50 basis.

If you would like to sponsor our bowling team in this event – you don't have to be bowling yourself – please fill in your name and details below.

Alternatively, you can access our JustGiving page at:
